IMPORTANT EXHIBITOR INFORMATION

Computer software is being used this year. Some items of interest are in the following areas:

- A. Assigning one exhibitor number to you - that same number will be used for all your entries (if you have exhibited in recent years, the mailing label contains your information for you to place on your ENTRY FORM - contains exhibitor number [3rd number set], name, etc. - make corrections as necessary) [exhibitor numbers may be resequenced in any given year to fill in the gaps];
- B. Requiring additional exhibitor information, e.g. county name, so that the fair can obtain better statistical data about our exhibitors and to be more precise in evaluating this part of our fair program;
- C. Requiring information about an item you want entered be placed on the ENTRY FORM using DEPARTMENT, SECTION/DIVISION/BREED, CLASS and DESCRIPTION. At many places in the Tabloid examples are given as to how to place an entry on the ENTRY FORM.

If you have any questions, comments, or concerns, please call the phone number or email as listed on the ENTRY FORM.

Reminder - please take note of the ENTRY FORM deadline(s); also, when the items you entered are to be brought to the fair - date, time, place.

ORDER OF EXHIBITION AND RULES AND REGULATIONS

- A. Entry Form(s) will be furnished by the Premium Exhibits Committee Contact Person or Superintendent on request and are to be filled out by the exhibitor giving: name(an individual's name acceptable only; exceptions are Groups [Art, Industrial Art, Grange, Band, etc] use group name), address, county, phone number, email, school district name and your current grade (if student), 4-H club name and your current age (if 4-H member), department, section/division/breed, class and a description of the article, animal, etc. One exhibitor number will be assigned to be used by the exhibitor in all departments entered.
- B. Registration of entries should be postmarked by Aug. 21, 2010. Entry fee(s) WILL DOUBLE from Aug. 22 - Sept. 4 and TRIPLE from Sept. 5 - 11. Registration of entries with a postmark after Sept. 11, 2010 will not be accepted unless otherwise noted. Registration means that the article or animal must be placed on an Entry Form and received by mail or in person by the appropriate date(s) above. Do not mail or give to the Superintendent; that will cause a delay in registration.
- C. Changes will be accepted until the date of delivery for an article or animal entered in the wrong class or being substituted. However, no additional animals or articles will be accepted after the deadline as stated in B above.
- D. Right is reserved to close entries before specified closing date. NO REFUNDS on entry fees.
- E. Entry fees MUST be paid at the time of registration and payable to the Gratz Fair Association.
- F. A premium check must be cashed within the time period noted on the check; otherwise, your premium will be declared as a donation to the Gratz Fair.
- G. All articles entered for exhibition must have cards or tags attached with the exhibitor's name. In all classes, these cards must correspond to the entry lists. Cards and tags will be supplied by the fair. It shall be the responsibility of the exhibitor to properly name the ARTICLE or BREED OF LIVESTOCK that is being entered. Any exhibit improperly entered will be disqualified to receive a premium, but the judges will make the correction on the entry tag for the benefit of the owner so the same mistake in entering need not be made the second time.
- H. Reasonable care will be taken to protect all exhibits on display from all injury and damage but the fair is not, in any way, to be held responsible for accidents, loss or damage by water, fire, theft, or otherwise, whatever may be the cause or extent of the damage or loss.
- I. Any article which receives a distinct premium cannot compete in general display nor shall any one article receive two premiums. No entry for the same article will be made in more than one department. An entry can draw just one 1st prize.(Only exception: "4-H and FFA" livestock exhibitors may also enter their animals in "open" class if they pay the entry fee.) **Entries are limited to two (2) per class except where a group entry is involved - in this case there is a limit of one (1) entry per class; this applies to all classes except where noted.**
- J. Any article or exhibit placed in an "Other" class, will all be judged together for that class except where noted.
- K. Superintendents reserve the right to bar from competition animals or articles of decidedly inferior quality and those not possessing sufficient merit to warrant recognition. The fair reserves the right to remove any exhibit not worthy of viewing by the public.
- L. Food products cannot be polluted with any substance or chemical that causes them to become poisonous and unfit to be used as food. Any such incidents must be reported to the Pennsylvania Agricultural Fair Program for further review.
- M. **All entries must have been grown, produced, or made since the last fair, except as noted, by the person whose name appears on the tag as exhibitor.** Photographs, etc. will be taken of exhibits (for internal use only) and will be used to identify exhibits so they are not exhibited in succeeding year(s). If entries are to be limited to residents of the

county, or to a specified area, this will be stated in the appropriate rules section. Any exhibitor may be required to prove ability to reproduce entry in any department in the presence of a qualified person.

- N. No exhibit may be removed at any time before the close of the fair except by consent of management. Also, any exhibit remaining more than 30 days beyond the close of the fair becomes the property of the fair.
- O. Where award ribbons are stolen or destroyed, the exhibitor may receive a duplicate at the close of the fair or show which will be supplied by the fair free-of-charge.
- P. The fair management reserves the right to amend or add to these rules and regulations as its judgement may determine.
- Q. In cases where there is no competition, judges may give an award such as they deem the exhibit is worthy to receive. Same rule applies where there are fewer entries in any class than the number of premiums offered. The judges may, at their discretion, award a ribbon or rosette. The decision of the judges shall be final in all cases except where mistakes, fraud, misrepresentation, or collusion - not discovered at the time of the award - is proved. In such cases, the superintendent will make a decision.
- R. Appeals Process - if an exhibitor wishes to make an appeal or complaint, written notice (stating plainly the cause of the complaint or appeal) must be filed at the fair office within 24 hours of the occurrence. Order of appeal or complaint for resolution: 1) Exhibits Committee or Livestock Committee [as appropriate], 2) Appeals Committee [this committee will only deal with the appeal or complaint if unresolved by the Exhibits Committee or Livestock Committee]. Any appeal or complaint will be dealt with in a timely manner.

NOTE: Considerable time and effort was put into the revision of the premium list and the fair association will appreciate the whole-hearted cooperation of the exhibitors in classifying and numbering the various exhibits in accordance with the Premium Tabloid. A Premium Tabloid may be secured from Gratz Fair, PO Box 204, Gratz, PA 17030. Phone (717) 365-3441.

SOME ADVICE TO EXHIBITORS

Make your entries early either by mail or in person, and take your exhibits to the grounds at the time designated in the rules, and don't ask to remove them until the time specified in that particular department.

Upon arrival at the grounds with stock or articles for exhibition, proceed to appropriate check-in, then to the appropriate building and inquire for the Superintendent of the Department in which you are an exhibitor, who will conduct you to the stall or space your stock or exhibits are to occupy. It is the responsibility of every exhibitor to select the proper class for each exhibit. The ORDER OF EXHIBITION AND RULES AND REGULATIONS stated above must be followed.

If you desire any information in regard to the business of the exhibition pay no attention to rumors or here-say, but go to the Superintendent of the Department in which you are an exhibitor, who will take pleasure in giving you all desired information.

By following these suggestions you will save yourself much disappointment and trouble, and you will go home with better feeling and conscience of having made friends and having contributed to the enjoyment of others.

During the judging, the buildings are to be closed to everyone except Gratz Fair officials, PA State Fair Fund officials, judges and necessary attendants. Any exhibitor interfering with the judges while making awards shall forfeit any premium to which he otherwise is entitled.

In paying premiums, no evidence of awards will be recognized except the entry lists signed by the superintendents and judges. Ribbons, cards and labels that may be attached to exhibits will not be recognized.

ANNOUNCEMENTS

The fair opens per the schedule in this tabloid.

A security force will be on the grounds during fair week to preserve order. PETS NOT PERMITTED - SERVICE ANIMALS ONLY.

Arrangements and provisions are being made to accommodate more exhibits than ever. The buildings will be cleaned and renovated and all available space utilized. Committees will be on hand to receive, protect and display articles left in their care to the best advantage. The management trusts that the people of Dauphin and adjoining counties will give this coming fair their hearty cooperation, encouragement and support by taking an active interest in its welfare by exhibiting their choicest articles, wares, and products from their stores, homes, gardens and farms, and by attending its meetings. A fair successfully conducted is an educational source of great value to all those engaged in mechanical or agricultural pursuits.

DAIRY & BEEF CATTLE, SHEEP, SWINE, GOATS, RABBITS, AND GUINEA PIGS - LIVESTOCK GENERAL RULES

- A. IMPORTANT - ORDER OF EXHIBITION AND RULES AND REGULATIONS apply.
- B. Entries will be accepted in all livestock departments from Dauphin, and surrounding counties. First come, first served. Also, other counties if space is available.
- C. All livestock offered for show must have been the property of the exhibitor for a period of not less than thirty (30) days. 4-H and FFA rules are more stringent for sale animals.
- D. In case unforeseen and unavoidable delay prevents animals from arriving by the appropriate time, contact shall be made with the Gratz Fair livestock office (phone 365-3441) no later than that time.
- E. Exhibitors shall forfeit premium money for early exit without a release from the superintendent.
- F. Exhibitors of livestock must inform themselves as to when their stock will be judged.

Stock must be in the ring promptly on call and a failure to comply with the order renders exhibitors liable to be ruled out of competing.

- G. NO STRAW TO BE FURNISHED. Straw, grain, hay and care for animals must be furnished by owners.
- H. Exhibitor(s) will be expected to display or parade their animal(s) as directed by the Superintendent; to accept the stall(s) assigned without controversy; to keep their animals in an attractive appearance; and to cooperate with the Department in every way that may serve to increase the educational value of the show.
- I. Unruly animals may be disqualified at the discretion of the livestock committee. These animals will not be eligible for premium or to sell, if applicable.
- J. The exhibitors will be expected to keep the space they occupy in a clean and sanitary condition and to remove all their equipment promptly as the Superintendent may direct. All exhibitors are to have their respective area(s) cleaned by 10AM daily.
- K. Decorations with ribbons or ornaments previously won by animals at shows shall be prohibited until after the awards have been made in their respective classes by the judges.
- L. No animals can be unloaded until health papers and animals are inspected.
- M. All animals exhibited, excluding dairy cattle - must be shown clean and dry; however, hogs may have water applied to them prior to entering the ring. This means the use of adhesives, paints, oils, etc. is forbidden and will result in elimination from the show and/or sale. You may use soap to wash the animal; however, it needs to be rinsed out completely (for the animals benefit).
- N. Dairy cattle exhibited - be sure to use only grooming products approved for use on dairy animals when fitting your animals for show. Unapproved products may contain ingredients that may result in unacceptable residues in the meat or milk. If you are not certain that a product is residue safe and approved for use on dairy animals, do not use it!
- O. No animals allowed except those being shown.

GRATZ FAIR CODE OF SHOW RING ETHICS

The GRATZ FAIR has developed a Code of Show Ring Ethics to curtail unethical, deceptive and fraudulent show ring practices. The Code is as follows:

Exhibitors of animals at the Gratz Fair shall at all times deport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to junior as well as open class exhibitors who compete in structured classes of competition. This code applies to all livestock offered in any event at the livestock show.

All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers and absolutely responsible persons who violate the code of ethics will forfeit premiums, awards and auction proceeds and may be prohibited from future exhibition in accordance with the rules adopted by the fair. Exhibitors who violate this code of ethics demean the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada.

The following is a list of GUIDELINES for all exhibitors and all livestock in competitive events:

- 1. All exhibitors must present, upon request of show officials, proof of ownership, length of ownership and age of all animals entered. Misrepresentation of ownership, age or any fact relating thereto is prohibited.
- 2. Owners, exhibitors, fitters, trainers, or absolutely responsible persons shall provide animal health certificates from licensed veterinarians upon request by show officials.
- 3. Junior exhibitors are expected to care for and groom their animals while at the show.
- 4. Animals shall be presented to show events where they will enter the food chain free of volatile drug residues. The act of entering an animal in a livestock show is the giving of consent by the owner, exhibitor, fitter, trainer and/or absolutely responsible person for show management to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. Animals not entered in an event which culminates with the animal entering the food chain shall not be administered drugs other than in accordance applicable with federal and state statutes, regulations and rules. Livestock shall not be exhibited if the drugs administered in accordance with federal and state statutes, regulations and rules affect the animal's performance or appearance at the event. If the laboratory report on the analysis of urine, saliva, blood, or other sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample urine, saliva, blood, or other substance tested by the approved laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the owner, exhibitor, fitter, trainer, or absolutely responsible person to prove otherwise. At any time after an animal arrives on the Gratz Fair premises, all treatments involving the use of drugs and/or medications for the sole purpose of protecting the health of the animal shall be administered by a licensed veterinarian.
- 5. Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant, or similar substance) which could affect the animal's performance or alter its natural contour, conformation, or appearance, except external applications of substances to the hoofs or horns of animals which affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.
- 6. The use of showing and/or handling practices or devices such as striking animals to cause

- swelling, using electrical contrivance, or other similar practices are not acceptable and are prohibited.
7. Direct interference with the judge, show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited. In the furtherance of their official duty, all judges, show management, or other show officials shall be treated with courtesy, cooperation and respect and no person shall direct abusive or threatening conduct toward them.
 8. No owner, exhibitor, fitter, trainer, or absolutely responsible person shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics.
 9. The application of this code of ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter, trainer, or participant whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this code of ethics.
 10. The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer, or absolutely responsible person to have disciplinary action taken by the fair for violation of this Code of Show Ring Ethics. The act of entering an animal is the giving of consent that any proceedings or disciplinary action taken by the fair may be published with the name of the violator or violators in any publication of the International Association of Fairs and Expositions, Pennsylvania State Association of County Fairs, including fairs, expositions and any special notices to members.
 11. The act of entering of an animal in the show is the giving of verification by the owner, exhibitor, fitter, trainer, or absolutely responsible person that he or she has read the Code of Show Ring Ethics and understands the consequences of and penalties provided for actions prohibited by the code. It is further a consent that any action which contravenes these rules and is in violation of federal and state statutes, regulations, or rules may be released to appropriate law enforcement authorities with jurisdiction over such infractions.

2010 GRATZ FAIR DEDICATED IN MEMORY OF DEAN KNORR

Dean Knorr was born in 1941 on a dairy farm near Erdman. He was the youngest of five children, and grew up playing and working on the farm.

Dean attended Kessler School, a one-room schoolhouse, and graduated from Upper Dauphin High School in 1959. He was a vocational agriculture student and active in FFA; played football and baseball. His favorite sport was baseball and was an avid Saint Louis Cardinal fan. After high school, Dean attended Penn State University graduating in 1964 with a degree in agriculture education. During time in college, he returned home on weekends to help on the farm. When the dairy barn burned to the ground, along with the cows, and his father being in ill health, Dean bought the farm and continued farming. He raised corn, soybeans, hay, and cattle.

Upon graduation from Penn State, Dean was hired as vocational agriculture teacher at Line Mountain High School. In addition, he was JV baseball coach and FFA advisor.

In 1972, Dean married Dianne Gooderham, a spanish teacher at the high school. At Christmas in 1976 they moved into a "new" home built on the farm.

On April 9, 1986 Dean added the title "father" to his titles of "farmer" and "teacher." He taught his daughter Kate to hunt, fish, and farm - plus became a girl scout to help with her troop. He liked to travel and in 1990 they bought a pop-up camper and visited 34 states the year prior to Kate starting kindergarten.

In June of 1999, Dean retired from teaching after 35 years. That same year he was diagnosed with Non-Hodgkins lymphoma. Nevertheless, he continued to farm and contribute to his community. He was a member of the Lykens Township Zoning Board, FSA Advisory Committee, and the Farmland Preservation Committee. He kept judging FFA contests for Line Mountain, Upper Dauphin and throughout the area. Each year he judged vegetables, fruits and nuts for the Gratz Fair.

Dean was an avid reader and one of his favorite topics was history. In 2008 he combined his love of travel and history by taking his camper on an 8,000 mile trip to follow the route of Lewis and Clark. With that trip he completed visiting all the contiguous United States.

On March 26, 2010 Dean died on that same farm where he was born; however, his exemplified values and influence will make that memory live in widening circles.

IMPORTANT MESSAGE TO OUR EXHIBITORS

Until 2009, the average expense of \$27,000 for prize money, ribbons and trophies was shared by the Commonwealth of Pennsylvania and the Gratz Fair at 50% each. This past year, due to the state budget shortfall, the Commonwealth of Pennsylvania reduced it's share to 33% requiring the Gratz Fair to increase it's share to 67%. Some exhibitors donated their prize money and/or took fewer/no ribbons, and we thank them for that support!

This year, due to another state budget shortfall, the Commonwealth of Pennsylvania is anticipated to farther reduce it's share to 16.5% requiring the Gratz Fair to increase it's share to 83.5%.

The fair will be unable to sustain a continued reduction or elimination without making adjustments. We will continue to support our competitive exhibits program; however, changes are necessary. In some areas entry fees were increased or instituted, prize money was decreased or eliminated, and in other areas departments, sections and/or classes reduced or eliminated. These changes were based on last year's reduction and this year's farther reduction remains to be addressed.

As last year, we request that you consider taking fewer/no ribbons and any donations will be greatly appreciated.

Sincerely,

Bruce C. Koppenhaver
President, Gratz Fair Assn.
